**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON NOVEMBER 5, 2015**

INTRODUCTION

This Proxy Statement contains information related to the solicitation of proxies by and on behalf of the Board of Directors of Superconductor Technologies Inc. (our “**Board**”) for use in connection with our Annual Meeting of Stockholders to be held on Thursday, November 5, 2015, beginning at 10:00 a.m., local time, at our offices located at 9101 Wall Street, Austin, Texas 78754, and at any and all adjournments or postponements thereof (our “**Annual Meeting**”). At our Annual Meeting, stockholders will be asked to consider and vote upon the following proposals: (i) one (1) Class 2 director to hold office until our 2018 Annual Meeting of Stockholders and until his or her successor is elected and qualified; (ii) the amendment to our 2013 Equity Incentive Plan to increase the number of shares authorized to be issued thereunder from 2,200,000 to 4,400,000; (iii) the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for 2015; and (iv) the transaction of such other business as may properly come before our Annual Meeting. This Proxy Statement and the accompanying proxy card are being mailed to stockholders on or about October 1, 2015.

INFORMATION CONCERNING SOLICITATION AND VOTING

Record Date

Only holders of record of our common stock at the close of business on September 16, 2015 (the “**Record Date**”) are entitled to notice of our Annual Meeting and to vote at our Annual Meeting. As of the Record Date, we had 18,203,689 shares of our common stock issued and outstanding.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to our Secretary, at or before the taking of the vote at our Annual Meeting, a written notice of revocation or a duly executed proxy bearing a later date or by attending our Annual Meeting and voting in person.

Voting and Solicitation

Each share of our common stock is entitled to one vote on all matters presented at our Annual Meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

Shares of common stock represented by properly executed proxies will, unless such proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. In the absence of specific instructions to the contrary, properly executed unrevoked proxies will be voted: (i) FOR the election of one nominee for Class 2 director, (ii) FOR the amendment to our 2013 Equity Incentive Plan to increase the number of shares authorized to be issued thereunder from 2,200,000 to 4,400,000 and (iii) FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for 2015. No other business is expected to come before our Annual Meeting. Should any other matter requiring a vote of stockholders properly arise, the persons named in the enclosed proxy card will vote such proxy in accordance with the recommendation of our Board.

If you will not be able to attend our Annual Meeting to vote in person, please vote your shares by completing and returning the accompanying proxy card or by voting electronically via the Internet or by telephone. To vote by mail, please mark, sign and date the accompanying proxy card and return it promptly in the enclosed postage paid envelope. To vote by Internet, go to www.proxyvote.com and to vote by telephone, call 1-800-690-6903, and follow the instructions to cast your vote. For voting by Internet or telephone, you will need to have your 12-digit control number located on your proxy card. Please do not return the enclosed paper ballot if you are voting by Internet or telephone.

We intend to solicit proxies primarily by mail. However, directors, officers, agents and employees may communicate with stockholders, banks, brokerage houses and others by telephone, e-mail, in person or otherwise to solicit proxies. We have no present plans to hire specially engaged employees or paid solicitors to assist in obtaining proxies, but reserve the option to do so. All expenses incurred in connection with this solicitation will be borne by us. We request that brokerage houses, nominees, custodians, fiduciaries and other like parties forward the soliciting materials to the underlying beneficial owners of our common stock. We will reimburse reasonable charges and expenses in doing so.

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at our Annual Meeting is the holders of a majority of the stock issued and outstanding on the Record Date and entitled to vote at our Annual Meeting, present in person or by proxy.

Shares that are voted "FOR" or "AGAINST" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at our Annual Meeting with respect to such matter.

An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote.

Broker non-votes are shares held in street name for which a broker returns a proxy card but indicates that instructions have not been received from the beneficial owners or other persons entitled to vote and for which the broker does not have discretionary voting authority.

Abstentions and broker non-votes will count toward the presence of a quorum. Refer to each proposal for a discussion of the effect of abstentions and broker non-votes on the results of each proposal.

If your shares of common stock are held by a bank, broker or other nominee, please follow the instructions you receive from your bank, broker or other nominee to have your shares of common stock voted. If your shares are held by a broker, the broker will ask you how you want your shares to be voted. If you give the broker instructions, then your shares will be voted as you direct. If you do not give instructions, then for the ratification of the independent registered public accounting firm, the broker may vote your shares in its discretion, but for the election of directors or the amendment of our 2013 Equity Incentive Plan, the broker may not be entitled to vote your shares at all.

Deadline for Receipt of Stockholder Proposals for 2016 Annual Meeting of Stockholders

Pursuant to Rule 14a-8 of the Securities and Exchange Commission ("SEC"), proposals by eligible stockholders that are intended to be presented at our 2016 Annual Meeting of Stockholders must be received by our Corporate Secretary at Superconductor Technologies Inc., 9101 Wall Street, Austin, Texas 78754 not later than June 2, 2016 in order to be considered for inclusion in our proxy materials.

Stockholders intending to present a proposal at our 2016 Annual Meeting of Stockholders must comply with the requirements and provide the information set forth in our amended and restated bylaws. Under our amended and restated bylaws, a stockholder's proposal must be timely received, which means that a proposal must be delivered to or mailed to our Secretary not less than 90 days prior to the meeting; provided that if less than 100 days' notice or prior public disclosure of the meeting is given to stockholders, then notice by a stockholder, to be timely received, must be received by our Secretary not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made.

PROPOSAL ONE

ELECTION OF CLASS 2 DIRECTOR

Our Board currently consists of four directors divided into three classes — Class 1 (Mr. Quiram and Mr. Kaplan), Class 2 (Mr. Davis) and Class 3 (Mr. Halvorson) — with the directors in each class holding office for staggered terms of three years each or until their successors have been duly elected and qualified. Mr. Davis’s term expires at the Annual Meeting. Accordingly, one Class 2 director will be elected at our Annual Meeting. The nominee for election as Class 2 director is Mr. Davis. The Class 2 director will serve until our 2018 Annual Meeting of Stockholders and until his or her successor is elected and qualified. Assuming the nominee is elected, we will have four directors serving as follows:

Class 1 directors : Jeffrey A. Quiram, Martin A. Kaplan

Terms expire at our 2017 annual meeting of stockholders.

Class 2 director : Lynn J. Davis

Term expires at our 2018 annual meeting of stockholders.

Class 3 director : Dan Halvorson

Term expires at our 2016 annual meeting of stockholders.

The accompanying proxy card grants the proxy holder the power to vote the proxy for a substitute nominee in the event that the nominee becomes unavailable to serve as a Class 2 director. Management presently has no knowledge that the nominee will refuse or be unable to serve as a Class 2 director for the prescribed term.

Required Vote

Directors are elected by a “plurality” of the shares voted. Plurality means that the nominee with the largest number of votes is elected, up to the maximum number of directors to be chosen (in this case, one director). Stockholders can either vote “for” the nominee or withhold authority to vote for the nominee. However, shares that are withheld will have no effect on the outcome of the election of directors. Abstentions and broker non-votes also will not have any effect on the outcome of the election of the directors.

Board Recommendation

Our Board Recommends a Vote “For” Mr. Davis.

CORPORATE GOVERNANCE AND BOARD MEETINGS AND COMMITTEES

Corporate Governance Policies and Practices

The following is a summary of our corporate governance policies and practices:

- Our Board has determined that all of our directors, other than Mr. Quiram, are independent as defined by the rules of the SEC and The NASDAQ Stock Market (“NASDAQ”). Our Audit Committee, Compensation Committee and Governance and Nominating Committee each consists entirely of independent directors under the rules of the SEC and NASDAQ.
- We have a Code of Business Conduct and Ethics for all of our employees, including our Chief Executive Officer and Chief Financial Officer. If we amend any provision of our Code of Business Conduct and Ethics that applies to our Chief Executive Officer or Chief Financial Officer (or any persons performing similar functions), or if we grant any waiver (including an implicit waiver) from any provision of our Code of Business Conduct and Ethics to our Chief Executive Officer or Chief Financial Officer (or any persons performing similar functions), we

will disclose those amendments or waivers on our website at [www.suptech.com/Investors/Corporate Governance/Amendments and Waivers to the Code of Conduct](http://www.suptech.com/Investors/Corporate%20Governance/Amendments%20and%20Waivers%20to%20the%20Code%20of%20Conduct) within four business days following the date of the amendment or waiver.

- Our Audit Committee reviews and approves all related-party transactions.
- As part of our Code of Business Conduct and Ethics, we have made a “whistleblower” hotline available to all employees for anonymous reporting of financial or other concerns. Our Audit Committee receives directly, without management participation, all hotline activity reports concerning accounting, internal controls or auditing matters.

Board Leadership Structure and Role in Risk Oversight

Our Board’s current policy is to separate the role of Chairman of our Board and Chief Executive Officer. Our Board believes that this structure combines accountability with effective oversight. This structure also allows us to benefit from the experience and knowledge of our Chairman, who has been on our Board since 2002, while reflecting the responsibilities and contributions of our Chief Executive Officer. In addition, we believe that the independence of our Chairman provides additional oversight over the decisions of our management and places additional control in the hands of our independent directors.

Our Board is actively involved in overseeing our risk management through our Audit Committee. Under its charter, our Audit Committee is responsible for inquiring of management and our independent auditors about significant areas of risk or exposure and assessing the steps management has taken to minimize such risks. Our Board’s role in risk oversight has not affected our Board’s determination that the separation of roles of Chairman and Chief Executive Officer is most appropriate for our company.

Stockholder Communications with Directors

Stockholders who want to communicate with our Board or with a particular director or committee may send a letter to our Secretary at Superconductor Technologies Inc., 9101 Wall Street, Austin, Texas 78754. The mailing envelope should contain a clear notation indicating that the enclosed letter is a “Board Communication” or “Director Communication.” All such letters should state whether the intended recipients are all members of our Board or just certain specified individual directors or a specified committee. The Secretary will circulate the communications (with the exception of commercial solicitations) to the appropriate director or directors. Communications marked “Confidential” will be forwarded unopened.

Attendance at Annual Meetings of Stockholders

We expect that all of our Board members attend our Annual Meetings of Stockholders in the absence of a showing of good cause for failure to do so. All of the members of our Board attended our 2014 Annual Meeting of Stockholders in person or by telephone.

Board Meetings and Committees

During 2014, each of our directors attended at least 75% of the aggregate of (i) the total number of Board meetings and (ii) the total number of meetings of the committees on which the director served.

Board of Directors

Our Board held a total of four meetings during 2014. Our Board has three standing committees — an Audit Committee established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934 (our “**Audit Committee**”), a Compensation Committee (our “**Compensation Committee**”) and a Governance and

Nominating Committee (our “**Nominating Committee**”). Our Audit Committee, Compensation Committee and Nominating Committee each have a charter, which is available at the “Corporate Governance” section under the “Investors” tab on our website at www.suptech.com.

Audit Committee

The principal functions of our Audit Committee are to hire our independent public auditors, to review the scope and results of the year-end audit with management and the independent auditors, to review our accounting principles and our system of internal accounting controls and to review our annual and quarterly reports before filing them with the SEC. Our Audit Committee met seven times during 2014. The current members of our Audit Committee are Messrs. Halvorson (Chairman), Kaplan and Davis.

Our Board has determined that all members of our Audit Committee are “independent” as defined under the rules of the SEC and the listing standards of NASDAQ. Our Board has determined that Mr. Halvorson is an “audit committee financial expert.”

Compensation Committee

Our Compensation Committee reviews and approves salaries, bonuses and other benefits payable to our executive officers and administers our management incentive plan. Our Compensation Committee makes all compensation decisions with respect to our Chief Executive Officer and makes recommendations to our Board regarding non-equity compensation and equity awards to our other named executive officers (set forth below under “Executive Compensation — Summary Compensation Table”) and all other elected officers. In doing so, with respect to named executive officers other than the Chief Executive Officer, our Compensation Committee generally receives a recommendation from our Chief Executive Officer and other officers as appropriate. Our Chief Executive Officer also generally recommends the number of options or other equity awards to be granted to executive officers, within a range associated with the individual executive’s salary level, and presents this to our Compensation Committee for its review and approval.

Our Compensation Committee uses available data to review and compare our compensation levels to market compensation levels, taking into consideration the other companies’ size, the industry, and the individual executive’s level of responsibility, as well as anecdotal data regarding the compensation practices of other employers. We do not annually benchmark our executive compensation against a defined peer group, since we believe that defining such a group is difficult and would not materially affect our decisions. Our Compensation Committee does not generally hire an outside consulting firm to assist with compensation, as we believe that the value of doing so is exceeded by the costs. No compensation consultant was engaged to provide advice or recommendations on our executive or director compensation for 2014.

Our Compensation Committee also reviews the compensation of directors and recommends to our Board the amounts and types of cash to be paid and equity awards to be granted to our directors.

Our Compensation Committee met five times during 2014. The current members of our Compensation Committee are Messrs. Davis (Chairman), Kaplan and Halvorson. Our Board has determined that all members of our Compensation Committee are “independent” as defined under the rules of the SEC and the listing standards of NASDAQ. Our Compensation Committee will only delegate its authority to the extent consistent with our certificate of incorporation and bylaws and applicable laws, regulations and listing standards.

Our Compensation Committee created the Stock Option Committee (our “**Stock Option Committee**”) consisting of two members — our Compensation Committee Chairman and the Chief Executive Officer. The purpose of our Stock Option Committee is to facilitate the timely granting of stock options in connection with hiring, promotions and other special situations, and therefore our Stock Option Committee meets only periodically as certain events occur. Our Stock Option Committee is empowered to grant options to non-executive employees up to a preset annual aggregate limit (120,000 shares for 2014). The Stock Option

Committee did not meet during 2014. Our Compensation Committee supervises these grants and retains exclusive authority for all executive officer grants and the annual employee grants. The current members of our Stock Option Committee are Messrs. Davis (Chairman) and Quiram.

Governance and Nominating Committee

Our Nominating Committee is responsible for overseeing and, as appropriate, making recommendations to our Board regarding, membership and constitution of our Board and its role in overseeing our affairs. Our Nominating Committee is responsible for proposing a slate of directors for election by the stockholders at each annual meeting and for proposing candidates to fill any vacancies. Our Nominating Committee is also responsible for the corporate governance practices and policies of our Board and its committees. The current members of our Nominating Committee are Messrs. Kaplan (Chairman), Davis, and Halvorson. Our Nominating Committee met four times in 2014. Our Board has determined that all members of our Nominating Committee are “independent” as defined under the rules of the SEC and the listing standards of NASDAQ.

Our Nominating Committee manages the process for evaluating current Board members at the time they are considered for re-nomination. After considering the appropriate skills and characteristics required on our Board, the current makeup of our Board, the results of the evaluations, and the wishes of our Board members to be re-nominated, our Nominating Committee recommends to our Board whether those individuals should be re-nominated.

Our Nominating Committee periodically reviews with our Board whether it believes our Board would benefit from adding a new member(s), and if so, the appropriate skills and characteristics required for the new member(s). If our Board determines that a new member would be beneficial, our Nominating Committee solicits and receives recommendations for candidates and manages the process for evaluating candidates. All potential candidates, regardless of their source (including candidates recommended by security holders), are reviewed under the same process. Our Nominating Committee (or its chair) screens the available information about the potential candidates. Based on the results of the initial screening, interviews with viable candidates are scheduled with Nominating Committee members, other members of our Board and senior members of management. Upon completion of these interviews and other due diligence, our Nominating Committee may recommend to our Board the election or nomination of a candidate.

Candidates for independent Board members have typically been found through recommendations from directors or others associated with us. Our stockholders may also recommend candidates by sending the candidate’s name and resume to our Nominating Committee under the provisions set forth above for communication with our Board. No such suggestions from our stockholders were received in time for our Annual Meeting.

Our Nominating Committee has no predefined minimum criteria for selecting Board nominees, although it believes that (i) all directors should share qualities such as: an ability to make meaningful contributions to our board; independence; strong communication and analytical skills; and a reputation for honesty and ethical conduct; and (ii) independent directors should share qualities such as: experience at the corporate, rather than divisional level, in multi-national organizations as large as or larger than us; and relevant, non-competitive experience. Our Nominating Committee does not have a formal policy with respect to diversity. However, our Nominating Committee and our Board believe that it is important that we have Board members whose diversity of skills, experience and background are complementary to those of our other Board members. In considering candidates for our Board, our Nominating Committee considers the entirety of each candidate’s credentials. In any given search, our Nominating Committee may also define particular characteristics for candidates to balance the overall skills and characteristics of our Board and our perceived needs. However, during any search, our Nominating Committee reserves the right to modify its stated search criteria for exceptional candidates.

NON-EMPLOYEE DIRECTOR COMPENSATION

Summary of Compensation

Our directors who are also employees do not receive additional compensation for their service on our Board. Our Board maintains a written compensation policy for our non-employee directors. Each director other than our Chairman of the Board receives an annual cash retainer of \$20,000, and our Chairman of the Board receives an annual cash retainer of \$40,000. The annual cash retainer is paid bi-annually and requires that the director attend at least 75% of our Board meetings. Each director receives a \$5,000 annual retainer for service as a member of our four standing committees. In addition, on the date of each annual meeting of stockholders, each director other than our Chairman of the Board receives an equity grant of 10,000 shares of our common stock, and our Chairman of the Board receives a grant of 15,000 shares. In addition to the foregoing equity grants, new directors receive an initial grant of 25,000 shares of our common stock on the date that they join our Board. Initial equity grants vest in three equal installments, on each anniversary of the grant date, and annual grants vest in two equal installments, on each anniversary of the grant date. Our Board provides an additional \$15,000 annual retainer (which is paid bi-annually) as compensation for service as chairman of our Audit Committee and an additional \$10,000 annual retainer for service as chairman of each of our Compensation Committee and Nominating Committee.

Non-employee directors do not receive compensation from us other than as a director or as committee member. There are no family relationships among our directors and executive officers.

Non-employee Director Compensation Table

The following table summarizes the compensation paid to our non-employee directors for 2014:

As a new director, Mr. Halvorson received an initial grant of 25,000 shares of our common stock on the date that he joined our Board.

Our Board consists of, and seeks to continue to include, persons whose diversity of skills, experience and background are complementary to those of our other directors.

Martin A. Kaplan has served on our board since 2002 and was named Chairman of the Board in October 2010. From 2000 through 2012, Mr. Kaplan was Chairman of the Board of JDS Uniphase, Inc. (“JDSU”), a telecommunications equipment company, where he remained a director until August 2015. In a career spanning 40 years, Mr. Kaplan last served as Executive Vice-President of the Pacific Telesis Group, which became a subsidiary of SBC Communications in 1997. Mr. Kaplan has served as a director of a number of other public and private companies. Mr. Kaplan earned a B.S. in engineering from California Institute of Technology. Our Board has determined that Mr. Kaplan is qualified to serve as a director because he has extensive business leadership and board experience.

Lynn J. Davis has served on our Board since 2005. He served as President, Chief Operating Officer and director of August Technology, a manufacturer of inspection equipment for the semiconductor fabrication industry from 2005 to 2006. Our Board has determined that Mr. Davis is qualified to serve as a director because he has extensive knowledge in various management roles in the telecommunications industry, including manufacturing, sales and marketing. In addition, as a venture capitalist, Mr. Davis has worked with smaller companies and brings a valuable entrepreneurial approach to management and compensation issues.

Dan L. Halvorson joined our Board in March 2014. Mr. Halvorson is currently the Executive Vice President and Chief Financial Officer for OneRoof Energy, Inc., a technology finance provider for residential solar systems. Mr. Halvorson previously served as the Executive Vice President and Chief Financial Officer of

Mandalay Digital Group, Inc. from September 2012 through December 2012, Executive Vice President-Operations and Chief Financial Officer for DivX, Inc. from 2007 until its acquisition by Sonic Solutions in October 2010. Prior to joining DivX, he served at Novatel Wireless, Inc., from 2000 to 2007, most recently as its Chief Financial Officer. He was Director of Finance for Dura Pharmaceuticals, Inc. from 1988 to 2000, when the company was acquired by Elan Corporation, and Director of Finance for Alliance Pharmaceutical Corp. from 1996 to 1998. From 1988 to 1994, Mr. Halvorson was with Deloitte & Touche LLC, and subsequently, with PriceWaterhouseCoopers LLP from 1994 until he joined Alliance Pharmaceutical Corp. in 1996. Mr. Halvorson is a certified public accountant (inactive) and holds a B.S. in Business Administration and Accounting from San Diego State University. Our Board has determined that Mr. Halvorson is qualified to serve as a director because he has extensive knowledge about public and financial accounting matters.

Jeffrey A. Quiram has served on our Board, and has been our President and Chief Executive Officer, since 2005. From 1991 to 2004, Mr. Quiram served ADC Telecommunications in a variety of management roles, including Vice President of its wireless business unit. Mr. Quiram has a B.S. in Quantitative Methods and Computer Science from College of St. Thomas, and an M.B.A. from University of Minnesota. Our Board has determined that Mr. Quiram is qualified to serve as a director because he has extensive knowledge about product development, business planning, and complex manufacturing. In addition, he has extensive knowledge about our corporate operations and market activities from serving as our Chief Executive Officer.

William J. Buchanan has been our Chief Financial Officer since May 2010. Mr. Buchanan joined us in 1998 and served as our Controller from 2000 to May 2010. Narrative Disclosure To Summary Compensation Table

Employment Agreement

We entered into an employment agreement with Mr. Quiram in 2005, which was amended in 2007. The employment agreement provides for the following:

- Appointment as our President, Chief Executive Officer and a member of our Board;
- A base salary, which was \$315,000 per year for 2008-2009 and increased to \$324,450 during 2010;
- A bonus of up to 100% of his base salary based upon achievement of annual performance goals to be developed by our Compensation Committee and Mr. Quiram;
- Accelerated vesting of all his equity grants in the event of an “Involuntary Termination” or “Change of Control” (both as defined in his employment agreement);
- A severance payment equal to one year’s salary and continued benefits for one year in the event of “Involuntary Termination”;

- In the event of a “Change of Control,” whether or not he is terminated, Mr. Quiram is entitled to (i) payment of two times his annual base salary, (ii) 24 months of benefits coverage, and (iii) accelerated vesting of all of his outstanding equity grants;
- Payment or reimbursement of travel expenses from his present home in Minnesota and the lease of an apartment for Mr. Quiram near our Santa Barbara headquarters; and a special indemnity payment for any taxes resulting from the payment or reimbursement of such expenses; and
- Lease of an automobile.

Change of Control Agreements

We also have “change of control” agreements with Messrs. Johnson and Shelton. These change of control agreements generally provide that, if the employee’s employment is terminated within twenty-four months of a “Change of Control” (as defined in the change of control agreements) either (i) by us for any reason other than death, “Cause” or “Disability” (as both terms are defined in the change of control agreements) or (ii) by the employee for “Good Reason” (as defined in the change of control agreements), then the terminated employee will be entitled to severance benefits salary continuation payments and continuation of health/life insurance benefits for 18 months and accelerated vesting for all outstanding unvested stock options and other equity securities held by the employee. Any payments or distributions made to or for the benefit of the named employees under these change of control agreements will be reduced, if necessary, to an amount that would result in no excise taxes being imposed under Internal Revenue Code Section 4999.

Non-Equity Incentive Compensation

We maintain a bonus plan for executive officers and selected other members of senior management. Under the plan, our Compensation Committee establishes financial and other pertinent objectives for the period and assigns each executive officer an annual target bonus amount based on a percentage of his or her base salary, which ranges from 20% to 100%. Our Compensation Committee also retains the authority to award discretionary bonuses for performance in other aspects of the business not covered by the established goals. At the beginning of 2013, our Compensation Committee decided, based on then-current economic conditions, to not establish financial performance targets under this plan for 2014 and to not award cash bonuses based on financial objectives in 2013. Our Compensation Committee did reserve its right to award discretionary bonuses if appropriate; however no bonuses were awarded for 2014.

Equity Grants

For 2014, we made the following grants of restricted stock awards and options to our named executive officers:

PROPOSAL TWO

APPROVAL OF AMENDMENT TO THE 2013 EQUITY INCENTIVE PLAN

We believe that our officers and other key employees should have a significant stake in our stock price performance under programs that link compensation to stockholder return. As a result, stock option grants and other equity incentives are an integral part of our compensation program. We presently grant equity incentives only under our 2013 Equity Incentive Plan, (the "Plan"). The Plan has an aggregate limit of 2,200,000 shares of our common stock for all awards and related sublimits on awards to a single person and on certain types of equity awards. In addition to stock options outstanding under the Plan, we have stock options outstanding under our prior 2003 Equity Incentive Plan, but no new grants can be made under the 2003 Equity Incentive Plan.

As of September 16, 2015, we had fewer than 100,000 shares of our common stock available for issuance under the Plan for future equity grants. Therefore, on September 23, 2015, our Board approved, and under this proposal you are being requested to approve, an increase in the total shares available for grants under the Plan from 2,200,000 shares of our common stock to 4,400,000 shares of our common stock. This Proposal does not affect any of the sublimits currently in the Plan or make any other amendments to the Plan.

Below is a summary description of the Plan, which summarizes its essential features. This summary is qualified in its entirety by reference to the full text of the Plan, as proposed to be amended, which is attached to this Proxy Statement as Annex A.

Summary of the Plan

General

The Plan provides for grants of stock options, stock appreciation rights (SARs), stock awards and restricted stock units, all of which are sometimes referred to individually or collectively as Awards, to employees, consultants, non-employee directors of our company and its subsidiaries. Stock options may be either incentive stock options (ISOs), as defined in Section 422 of the Internal Revenue Code, as amended, or the Code, or non-qualified stock options (NQSOs).

Plan Administration; Amendment and Termination

The Board and/or one or more of its committees shall administer the Plan in accordance with applicable law, referred to as the Administrator. The Administrator may, amend, suspend or terminate any portion of the Plan for any reason, but must obtain stockholder consent for any material amendments to the Plan, or the consent of affected plan participants if any such action alters or impairs any obligations regarding Awards that have been granted. The Plan terminates in 2023. However, such termination will not affect Awards granted under the Plan prior to termination.

Reversion of Shares to the Plan

Any shares underlying an expired, forfeited or cancelled Award shall become available for future Awards under the Plan. Shares awarded and delivered under the Plan may be authorized but unissued, or reacquired shares.

Eligibility for Awards

Employees, consultants and non-employee directors of our company or its subsidiaries may be granted Awards under the Plan. The Administrator determines which individuals will receive Awards, as well as the number and composition of each Award. Awards under the Plan may consist of a single type or any combination of the types of Awards permissible under the Plan as determined by the Administrator, or by the full Board in the case of Awards to non-employee directors. These decisions may be based on various factors, including a

participant's duties and responsibilities, the value of the participant's past services, his/her potential contributions to our success, and other factors.

Exercise Price Limitations

The Administrator will determine the exercise price for the shares underlying each Award on the date the Award is granted. The exercise price for shares under an ISO may not be less than 100% of fair market value on the date the Award is granted under Section 422 of the Code. Similarly, under the terms of the Plan, the exercise price for SARs and NQSOs may not be less than 100% of fair market value on the date of grant. There is no minimum exercise price prescribed for stock awards and restricted stock units awarded under the Plan.

No Material Amendments or Re-Pricing Without Stockholder Approval

Except for adjustments upon changes in capitalization, dissolution, merger or asset sale, the Plan prohibits our company from making any material amendments to the Plan or decreasing the exercise price or purchase price of any outstanding Award, including by means of cancellation or re-grant, without stockholder approval.

Individual Grant Limits

No participant may be granted Awards in any one year to purchase more than an aggregate of 300,000 shares. Such limitation is subject to proportional adjustment in connection with any change in our capitalization as described in the Plan.

Award Exercise; Payment of Exercise Price

The Administrator will determine when Awards become exercisable. However, no Award may have a term longer than ten years from the date of grant unless otherwise approved by our stockholders, and no Award may be exercised after expiration of its term. Payment for any shares issued upon exercise of an Award shall be specified in each participant's Award agreement, and may be made by cash, check or other means specified in the Plan.

Tax Withholding

We shall have the right to deduct or withhold or require a participant to remit to us an amount sufficient to satisfy federal, state, local and any applicable foreign taxes (including FICA obligations, if applicable) required to be withheld with respect to the grant, exercise or vesting of any Award.

Effect of Termination, Death, or Disability

If a participant's employment, consulting arrangement, or service as a non-employee director terminates for any reason, the vesting of an Award generally will stop as of the effective termination date. Participants generally have three months from their termination date to exercise vested unexercised options and SARs before they expire. Longer post-termination exercise periods apply in the event the termination of employment or cessation of service results from death or disability. If a participant is dismissed for cause, the right to exercise shall terminate five business days following the participant's receipt of written notice from us of the participant's termination.

Non-Transferability of Awards

Unless otherwise determined by the Administrator, Awards granted under the Plan are not transferable other than by will or the laws of descent and distribution, and may be exercised by the participant only during the participant's lifetime.

Stock Appreciation Rights

Under the Plan, SARs may be settled in shares or cash and must be granted with an exercise price not less than 100% of fair market value on the date of grant. Upon exercise of a SAR, a participant is entitled to receive cash or a number of shares equivalent in value to the difference between the fair market value on the exercise date and the exercise price of the SAR. For example, assume a participant is granted 100 SARs with an exercise price of \$10 and assume the SARs are later exercised when the fair market value of the underlying shares is \$20 per share. At exercise, the participant is entitled to receive 50 shares $[(\$20 - \$10) \times 100] / \$20$, or \$1,000 in cash (50 shares \times \$20).

Stock Awards

The Plan also permits the Company to grant stock awards. The Administrator has discretion to establish periods of restriction during which shares awarded remain subject to forfeiture or the Company's right to repurchase if the participant's employment terminates for any reason (including death or disability). Restrictions may be based on the passage of time, the achievement of specific performance objectives, or other measures as determined by the Administrator in its discretion. Stock Awards may be granted for past services with no restrictions. During periods of restriction, a participant has the right to vote his/her restricted stock and to receive distributions and dividends, if any, but may not sell or transfer any such shares.

Restricted Stock Units

The Plan also permits the Company to grant restricted stock units that are payable in Company shares or in cash. Each restricted stock unit is equivalent in value to one share of the Company's common stock. Depending on the number of restricted stock units that become vested at the end of the performance period, the equivalent number of shares are payable to the participant, or the equivalent value in cash. The restricted stock units may be vested upon the attainment of performance goals or based on continued service.

Changes in Capitalization; Change of Control

The Plan provides for exercise price and quantity adjustments if we declare a stock dividend or stock split. Also, vesting or restriction periods may be accelerated if we merge with another entity that does not either assume the outstanding Awards or substitute equivalent Awards. In such case, vesting will be accelerated ten days prior to the consummation of the Change in Control and the Award will terminate and no longer be exercisable upon consummation. We have "change of control" agreements with certain executive officers that provide for accelerated vesting of stock options and other equity compensation awards.

Participation in the Plan

Except as otherwise provided in the Plan, the grant of Awards is subject to the discretion of the Administrator. No determinations have been made with respect to future awards under the Plan.

U.S. Federal Income Tax Consequences

Option Grants

Options granted under the Plan may be either ISOs, which are intended to satisfy the requirements of Section 422 of the Code, or NQSOs, which are not intended to meet those requirements. The Federal income tax treatment for NQSOs and ISOs is summarized below.

Non-Qualified Stock Options

No taxable income is recognized by an optionee upon the grant of an NQSO. Generally, the optionee will recognize ordinary income in the year in which the option is exercised. The amount of ordinary income will

equal to the excess of the fair market value of the purchased shares on the exercise date over the exercise price paid for the shares. Our company and the optionee are required to satisfy the tax withholding requirements applicable to that income, unless the optionee is a non-employee director or consultant, where in such case tax withholding is not required. We will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the optionee with respect to exercised NQSOs.

Incentive Stock Options

No taxable income is recognized by an optionee upon the grant of an ISO. Generally, the optionee will not recognize ordinary income in the year in which the option is exercised, although the optionee's gain from exercise may be subject to alternative minimum tax. If the optionee sells the underlying shares acquired from the option within two years after the option grant date or within one year of the option exercise date, then the sale is treated as a disqualifying disposition and the optionee will be taxed in the year of disposition on the gain at exercise, but not exceeding the gain from disposition as ordinary income and the balance of the gain from disposition, if any, as short-term or long-term capital gain. We will be entitled to an income tax deduction that equals the amount of the optionee's compensatory ordinary income. If the optionee does not make a disqualifying disposition, then the optionee will not recognize ordinary income and the entire gain will be taxes as long-term capital gain and we will not be entitled to a tax deduction.

Stock Appreciation Rights

No taxable income is recognized by an optionee upon the grant of a SAR. The participant will recognize ordinary income in the year in which the SAR is exercised. The amount of ordinary income will be fair market value of the shares received or the cash payment received. Our company and the participant are required to satisfy the applicable tax withholding requirements, unless the participant is a non-employee director, where in such case tax withholding is not required. We will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant with respect to exercised SARs.

Stock Awards

The tax principles applicable to the issuance of shares under the Plan will be substantially the same as those summarized above for the exercise of non-qualified stock options in that they are both governed by Section 83 of the Code. When shares are granted with no restrictions, the participant will have ordinary income equal to the difference between the fair market value of the shares on the grant date and the amount paid for the shares, if any. If shares are granted with restrictions, such income tax treatment applies on the date the restrictions lapse (the "vesting" date) based on the fair market value of the shares on the vesting date, unless the participant made an "83(b) election" within 30 days of the date of grant to include as ordinary income in the year of the grant, an amount equal to the difference between the fair market value of the granted shares on the grant date and any amount paid for the shares. If the Section 83(b) election is made, the participant will not recognize any additional compensation income when the restriction lapses, but may have capital gain income or loss upon sale of the shares. The Company will be entitled to an income tax deduction equal to the ordinary income recognized by the participant in the year in which the participant recognizes such income.

Restricted Stock Units

Generally, a plan participant who is granted restricted stock units will recognize ordinary income in the year payment occurs. The income recognized will generally be equal to the fair market value of the shares received or to the cash payment received. The Company will generally be entitled to an income tax deduction equal to the income recognized by the participant on the payment date for the taxable year in which the ordinary income is recognized by the participant.

Deductibility of Executive Compensation

We anticipate that any compensation deemed paid by us in connection with the exercise of both ISOs and NQSOs granted with exercise prices equal to the fair market value of the shares on the grant date will not be subject to the “Section 162(m) \$1 million limitation” per covered individual on the deductibility of the compensation paid to our executive officers.

Required Vote

The affirmative vote of a majority of the shares of our common stock present in person or represented by proxy at the meeting and entitled to vote is required to approve this proposal. If you are present in person or represented by proxy at the meeting and abstain from voting on this proposal, it has the same effect as if you voted against the proposal. Broker non-votes are not counted for any purpose in determining whether this proposal has been approved.

Board Recommendation

Our Board Recommends a Vote “For” Approval of the Amendment to the 2013 Equity Incentive Plan.

PROPOSAL THREE

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has selected Marcum LLP, an independent registered public accounting firm, to audit our financial statements for 2015. Our Audit Committee is submitting its selection to our stockholders for ratification. Marcum LLP has served as our auditor since October 2010 and has no financial interest of any kind in us except the professional relationship between auditor and client. A representative of Marcum LLP is expected to attend our Annual Meeting, and will be afforded an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions by stockholders.

Required Vote

Proposal Three requires the affirmative vote of a majority of the votes cast on the proposal. Stockholders may vote “for” or “against” the proposal, or they may abstain from voting on the proposal. Abstentions will count as a vote against and broker non-votes will not have any effect on the outcome of this proposal. If no sales were reported on such Grant Date of the Award, the Fair Market Value of a share of Common Stock shall be the closing price for such stock as quoted on the NASDAQ (or the exchange with the greatest volume of trading in the Common Stock) on the last market trading day with reported sales prior to the date of determination. In the case where the Company is not listed on an established stock exchange or national market system, Fair Market Value shall be determined by the Board in good faith in accordance with Code Section 409A and the applicable Treasury regulations.

2.28 “Option” means an Incentive Stock Option or a Nonqualified Stock Option.

2.29 “Participant” means an Employee, Consultant or Nonemployee Director who has an outstanding Award.

2.30 “Performance Goals” means the goal(s) (or combined goal(s)) determined by the Administrator (in its discretion) to be applicable to a Participant with respect to an Award. As determined by the Administrator, the Performance Goals applicable to an Award may provide for a targeted level or levels of achievement, including without limitation goals tied to individual objectives and/or the Company’s (or a business unit’s) return on assets, return on shareholders’ equity, efficiency ratio, earnings per share, net income, or other financial measures determined in accordance with U.S. generally accepted accounting principles (“GAAP”), with or without adjustments determined by the Administrator. The foregoing definition shall not be deemed to be inclusive of all Performance Goals for purposes of this Plan. The Performance Goals may differ from Participant to Participant and from Award to Award.

2.31 “Restricted Stock Units” means an Award granted to a Participant pursuant to Section 8 of the Plan that entitles the Participant to receive a prescribed number of Shares, or the equivalent value in cash, upon achievement of Performance Goals associated with such Award. The Participant’s Award Agreement shall specify whether the Restricted Stock Units will be settled in Shares or cash.

2.32 “Period of Restriction” means the period during which Stock Awards are subject to restrictions that subject the Shares to a substantial risk of forfeiture. As provided in Section 7, such restrictions may be based on the passage of time in which case the restrictions may lapse over the Period of Restriction, the achievement of Performance Goals, or the occurrence of other events as determined by the Administrator, in its discretion.

2.33 “Plan” means this Superconductor Technologies Inc. 2013 Equity Incentive Plan, as set forth in this instrument and as hereafter amended from time to time.

2.34 “Rule 16b-3” means the rule so designated promulgated under Section 16 of the 1934 Act, and any future rule or regulation amending, supplementing or superseding such rule.

2.35 “SEC” means the U.S. Securities Exchange Commission.

2.36 “Section 16 Person” means a person who, with respect to the Shares, is subject to Section 16 of the 1934 Act.

2.37 “Shares” means shares of common stock of the Company.

2.38 “Stock Appreciation Right” or “SAR” means an Award granted to a Participant pursuant to Section 6. Upon exercise, a SAR gives a Participant a right to receive a payment in cash, or the equivalent value in Shares, equal to the difference between the Fair Market Value of the Shares on the exercise date and the Exercise Price. Both the number of SARs and the Exercise Price are determined on the Grant Date. For example, assume a Participant is granted 100 SARs at an Exercise Price of \$10 and the award agreement specifies that the SARs will be settled in Shares. Also assume that the SARs are exercised when the underlying Shares have a Fair Market Value of \$20 per Share. Upon exercise of the SAR, the Participant is entitled to receive 50 Shares $[(\$20 - \$10) * 100 / \$20]$.

2.39 “Stock Awards” means an Award granted to a Participant pursuant to Section 7. A Stock Award constitutes a transfer of ownership of Shares to a Participant from the Company. Such transfer may be subject to restrictions against transferability, assignment, and hypothecation. Under the terms of the Award, the restrictions against transferability are removed when the Participant has met the specified vesting requirement. Shares granted pursuant to a Stock Award shall vest immediately upon the lapsing of the applicable Period of Restriction (if any). Stock Awards may also be granted without any restrictions or vesting requirements. Vesting may be based on continued employment or service over a stated service period, or on the attainment of specified Performance Goals. If employment or service is terminated prior to vesting, the unvested Shares revert back to the Company.

2.40 “Subsidiary” means any corporation, LLC or partnership (collectively referred to as “Entities”) in an unbroken chain of Entities beginning with the Company if each of the Entities other than the last Entity in the unbroken chain then owns fifty percent (50%) or more of the total combined voting power in one of the other Entities in such chain.

SECTION 3
ADMINISTRATION

3.1 The Administrator. The Administrator, if not the Board of Directors, shall be appointed by the Board of Directors from time to time. Grants of authority in a committee charter shall be deemed appointment.

3.2 Authority of the Administrator. It shall be the duty of the Administrator to administer the Plan in accordance with the Plan's provisions and in accordance with Applicable Law. The Administrator, if the Board of Directors or a Committee, shall have all powers and discretion necessary or appropriate to administer the Plan and to control its operation, including, but not limited to, the following: (a) which Employees, Consultants and Directors shall be granted Awards; (b) the terms and conditions of the Awards at initial grant and any subsequent revisions or changes to the terms and conditions of Awards, including, but not limited to, changes to, or removal of restrictions on, outstanding Awards relating to vesting, Period of Restriction or exercisability periods, (c) interpretation of the Plan, (d) adoption of rules for the administration, interpretation and application of the Plan as are consistent therewith and (e) interpretation, amendment or revocation of any such rules.

3.3 Decisions Binding. All determinations and decisions made by the Administrator shall be final, conclusive and binding on all persons, and shall be given the maximum deference permitted by Applicable Law.

SECTION 4
SHARES SUBJECT TO THE PLAN

4.1 Number of Shares. Subject to adjustment, as provided in Section 4.3, the total number of Shares initially available for grant under the Plan shall be four million four hundred thousand (4,400,000). Shares granted under the Plan may be authorized but unissued Shares or reacquired Shares bought on the market or otherwise. Awards settled in cash shall not count against the limitation set forth in this Section 4.1.

4.2 Reversion of Shares to the Plan. If any Award made under the Plan expires, or is forfeited or cancelled, the Shares underlying such Awards shall become available for future Awards under the Plan.

4.3 Adjustments in Awards and Authorized Shares. The number of Shares covered by the Plan, each outstanding Award, and the per Share exercise price of each such Award, shall be proportionately adjusted for any increase or decrease in the number of issued shares of common stock resulting from a stock split, reverse stock split, recapitalization, spin-off, combination, reclassification, the payment of a stock dividend on the common stock or any other increase or decrease in the number of such Shares of common stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Administrator whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of Shares of stock of any class, or securities convertible into Shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of common stock subject to an Option.

4.4 Legal Compliance. Shares shall not be issued pursuant to the making or exercise of an Award unless the exercise of Options and rights and the issuance and delivery of Shares shall comply with the Securities Act of 1933, as amended, the 1934 Act and other Applicable Law, and shall be further subject to the approval of counsel for the Company with respect to such compliance. Any Award made in violation hereof shall be null and void.

4.5 Investment Representations. As a condition to the exercise of an Option or other right, the Company may require the person exercising such Option or right to represent and warrant at the time of exercise that the Shares are being acquired only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

SECTION 5
STOCK OPTIONS

The provisions of this Section 5 are applicable to Options granted to Employees, Consultants and Nonemployee Directors. Such Participants shall also be eligible to receive other types of Awards as set forth in the Plan.

5.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted at any time and from time to time as determined by the Administrator in its discretion. The Administrator may grant Incentive Stock Options, Nonqualified Stock Options, or a combination thereof, and the Administrator, in its discretion and subject to Sections 4.1, shall determine the number of Shares subject to each Option.

5.2 Award Agreement. Each Option shall be evidenced by an Award Agreement that shall specify the Exercise Price, the expiration date of the Option, the number of Shares to which the Option pertains, any conditions to exercise the Option, and such other terms and conditions as the Administrator, in its discretion, shall determine. The Award Agreement shall also specify whether the Option is intended to be an Incentive Stock Option or a Nonqualified Stock Option.

5.3 Exercise Price. The Administrator shall determine the Exercise Price for each Option subject to the provisions of this Section 5.3.

5.3.1 Nonqualified Stock Options. In the case of a Nonqualified Stock Option, the per Share exercise price shall not be less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date, as determined by the Administrator.

5.3.2 Incentive Stock Options. The grant of Incentive Stock Options shall be subject to the following limitations:

(a) The Exercise Price of an Incentive Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date; provided, however, that if on the Grant Date, the Employee (together with persons whose stock ownership is attributed to the Employee pursuant to Section 424(d) of the Code) owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, the Exercise Price shall be not less than one hundred and ten percent (110%) of the Fair Market Value of a Share on the Grant Date;

(b) Incentive Stock Options may be granted only to persons who are, as of the Grant Date, Employees of the Company or a Subsidiary, and may not be granted to Consultants or Nonemployee Directors.

(c) To the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any parent or Subsidiary) exceeds \$100,000, the Options to acquire Shares in excess of such amount shall be treated as Nonqualified Stock Options. For purposes of this Section 5.3.2(c), Incentive Stock Options shall be taken into account in the order in which they were granted. For purposes of this limitation, the Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted; and

(d) In the event of a Participant's change of status from Employee to Consultant or Nonemployee Director, an Incentive Stock Option held by the Participant shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Nonqualified Stock Option three (3) months and one (1) day following such change of status.

5.3.3 Substitute Options. Notwithstanding the provisions of Sections 5.3.1 and 5.3.2, in the event that the Company or an Affiliate consummates a transaction described in Section 424(a) of the Code (e.g., the acquisition of property or stock from an unrelated corporation), persons who become Employees, Directors or Consultants

on account of such transaction may be granted Options in substitution for options granted by their former employer, and such Options may be granted with an Exercise Price less than the Fair Market Value of a Share on the Grant Date; provided, however, the grant of such substitute Option shall not constitute a "modification" as defined in Code Section 424(h)(3) and the applicable Treasury regulations.

5.4 Exercise of Options. Options granted under the Plan shall be exercisable only with respect to the underlying shares that have become vested and shall be subject to restrictions as set forth in the Award Agreement as the Administrator shall determine in its discretion. Except as set forth in Section 9.1, in all cases involving termination of Continuous Status as an Employee, Director or Consultant (including, but not limited to, the reasons described in subsections (c), (d), (e) and (f) of Section 5.5.1), such Option shall be exercisable only to the extent the Participant was entitled to exercise it at the date of such termination.

5.5 Expiration of Options

5.5.1 Expiration Dates. Unless otherwise specified in the Award Agreement, but in any event no later than ten (10) years from the Grant Date, each Option shall terminate no later than the first to occur of the following events:

(a) Date in Award Agreement. The date for termination of the Option set forth in the written Award Agreement;

(b) Termination of Continuous Status as Employee, Director or Consultant. The last day of the three (3)-month period following the date the Participant ceases his/her/its Continuous Status as an Employee, Director or Consultant (other than termination for a reason described in subsections (c), (d), (e), or (f) below).

(c) Misconduct. In the event a Participant's Continuous Status as an Employee, Director or Consultant terminates because the Participant has performed an act of Misconduct as determined by the Administrator, all unexercised Options held by such Participant shall expire five (5) business days following Participant's receipt of written notice from the Company of Participant's termination due to Misconduct; provided, however, that the Administrator may, in its sole discretion, prior to the expiration of the five (5) day period, reinstate the Options by giving written notice of such reinstatement to Participant. In the event of such reinstatement, the Participant may exercise the Option only to such extent, for such time, and upon such terms and conditions as if the Participant had ceased to be employed by or affiliated with the Company or a Subsidiary upon the date of such termination for a reason other than Misconduct, disability or death;

(d) Disability. In the event that a Participant's Continuous Status as an Employee, Director or Consultant terminates as a result of the Participant's Disability, the Participant may exercise his or her Option at any time within twelve (12) months from the date of such termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). If, at the date of termination, the Participant is not entitled to exercise his or her entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan;

(e) Death. In the event of the death of a Participant, the Participant's Option may be exercised at any time within twelve (12) months following the date of death (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's estate or by a person who acquired the right to exercise the Option by bequest or inheritance. If, at the time of death, the Participant was not entitled to exercise his or her entire Option, the Shares covered by the unexercisable portion of the Option shall immediately revert to the Plan. If, after death, the Participant's estate or a person who acquired the right to exercise the Option by bequest or inheritance does not exercise the Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan; or

(f) 10 Years from Grant. An Option shall expire no more than ten (10) years from the Grant Date; provided, however, that if an Incentive Stock Option is granted to an Employee who, together with persons

whose stock ownership is attributed to the Employee pursuant to Section 424(d) of the Code, owns stock possessing more than 10% of the total combined voting power of all classes of the stock of the Company or any of its Subsidiaries, such Incentive Stock Option may not be exercised after the expiration of five (5) years from the Grant Date.

5.5.2 Administrator Discretion. Notwithstanding the foregoing the Administrator may, after an Option is granted, extend the exercise period that an Option is exercisable following a Participant's termination of Continuous Service (recognizing in some such circumstances the Options would cease to be Incentive Stock Options); provided, however, in no event may any such extension extend beyond the stated expiration date of the Option.

5.6 No "Re-Pricing" Without Shareholder Approval. Except as provided in Section 4.3, in no event may the Administrator directly or indirectly reduce the exercise price of an Option after it has been granted without the approval of a majority of the shareholders eligible to vote.

5.7 Exercise and Payment. Options shall be exercised by the Participant's delivery of a written notice of exercise to the Secretary of the Company (or its designee), setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares and payment of any additional amount that the Administrator specifies is necessary for the Company to pay any required withholding taxes in accordance with Section 11.

5.7.1 Form of Consideration. Upon the exercise of any Option, the Exercise Price shall be payable to the Company in full in cash or its equivalent. The Administrator, in its discretion, also may permit the exercise of Options and same-day sale of related Shares, or exercise by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Exercise Price, or by any other means which the Administrator, in its discretion, determines to provide legal consideration for the Shares, and to be consistent with the purposes of the Plan. The Administrator, in its discretion, may also permit a "net issuance" of any Option, where the term "net issuance" means the issuance of a number of Shares (rounded down to the nearest whole number of Shares) that is equivalent in value to the difference between the fair market value of the underlying stock on the exercise date, less the exercise price and minimum tax withholding. Such discretion may be exercised by the Administrator either in the Award Agreement or at any other time.

5.7.2 Delivery of Shares. As soon as practicable after receipt of a written notification of exercise and full payment for the Shares purchased and taxes required to be withheld, the Company shall deliver to the Participant (or the Participant's designated broker), Share certificates (which may be in book entry form) representing such Shares.

SECTION 6 STOCK APPRECIATION RIGHTS

6.1 Grant of SARs. Subject to the terms of the Plan, a SAR may be granted to Employees, Consultants and Nonemployee Directors at any time and from time to time as shall be determined by the Administrator.

6.1.1 Number of Shares. The Administrator shall have complete discretion to determine the number of SARs granted to any Participant.

6.1.2 Exercise Price and Other Terms. The Administrator, subject to the provisions of the Plan, shall have discretion to determine the terms and conditions of SARs granted under the Plan, including whether upon exercise the SARs will be settled in Shares or cash, which must be determined at the time of grant and set forth in the Award Agreement. However, the Exercise Price of a SAR shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date.

6.2 Exercise of SARs. SARs granted under the Plan shall be exercisable at such times and be subject to such restrictions as set forth in the Award Agreement and conditions as the Administrator shall determine in its discretion.

6.3 SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the Exercise Price, the term of the SAR, the conditions of exercise and such other terms and conditions as the Administrator shall determine.

6.4 Expiration of SARs. A SAR granted under the Plan shall expire upon the date determined by the Administrator in its discretion as set forth in the Award Agreement, or otherwise pursuant to the provisions relating to the expiration of Options as set forth in Section 5.5.

6.5 No "Re-Pricing" Without Shareholder Approval. Except as provided in Section 4.3, in no event may the Administrator directly or indirectly reduce the exercise price of a SAR after it has been granted without the approval of a majority of the shareholders eligible to vote.

6.6 Payment of SAR Amount. Upon exercise of a SAR, a Participant shall be entitled to receive (whichever is specified in the Award Agreement) from the Company either (a) a cash payment in an amount equal to (x) the difference between the Fair Market Value of a Share on the date of exercise and the SAR Exercise Price, multiplied by (y) the number of Shares with respect to which the SAR is exercised, or (b) a number of Shares by dividing such cash amount by the Fair Market Value of a Share on the exercise date. If the Administrator designates in the Award Agreement that the SAR will be settled in cash, upon Participant's exercise of the SAR the Company shall make a cash payment to Participant as soon as reasonably practicable.

SECTION 7 STOCK AWARDS

7.1 Grant of Stock Awards. Subject to the terms and provisions of the Plan, the Administrator, at any time and from time to time, may grant Stock Awards to Employees, Nonemployee Directors and Consultants in such amounts as the Administrator, in its discretion, shall determine. The Administrator shall determine the number of Shares to be granted to each Participant and the purchase price (if any) to be paid by the Participant for such Shares.

7.2 Stock Agreement. Each Stock Award shall be evidenced by an Award Agreement that shall specify the terms of the grant, including the Period of Restriction that applies to such grant (if any), the conditions that must be satisfied for the Period of Restriction to lapse, and such other terms and conditions as the Administrator, in its discretion, shall determine. Unless the Administrator determines otherwise, Shares granted pursuant to Stock Awards shall be held by the Company as escrow agent until the Period of Restriction has lapsed.

7.3 Transferability. Shares granted pursuant to a Stock Award may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until expiration of the applicable Period of Restriction (if any).

7.4 Restrictions. In its sole and absolute discretion, the Administrator may set restrictions based on a Participant's Continuous Status as Employee, Nonemployee Director or Consultant or the achievement of specific Performance Goals (Company-wide, business unit, or individual), or any other basis determined by the Administrator in its discretion.

7.5 Legend on Certificates. The Administrator, in its discretion, may place a legend or legends on the Share certificates to give appropriate notice of such restrictions in the case the Shares are not held by the Company in escrow.

7.6 Release of Shares. Shares granted pursuant to Stock Awards shall be released from escrow as soon as practicable after expiration of the Period of Restriction. At such time, the Participant shall be entitled to have any

legend or legends under Section 7.5 removed from his or her Share certificate, and the Shares shall be freely transferable by the Participant, subject to Applicable Law.

7.7 Voting Rights. During any Period of Restriction, Participants holding Shares granted pursuant this Section 7 may exercise full voting rights with respect to those Shares, unless otherwise provided in the Award Agreement.

7.8 Dividends and Other Distributions. During any Period of Restriction, Participants holding Shares granted pursuant to this Section 7 shall be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares shall be subject to the same restrictions on transferability and forfeitability as the Shares with respect to which they were paid.

7.9 Return of Stock to Company. On the date that any forfeiture event set forth in the Award Agreement occurs, the Stock for which restrictions have not lapsed shall revert to the Company and again shall become available for grant under the Plan.

SECTION 8 RESTRICTED STOCK UNITS

8.1 Grant of Restricted Stock Units. Subject to the terms and conditions of the Plan, Restricted Stock Units may be granted to Employees, Consultants and Nonemployee Directors at any time and from time to time, as shall be determined by the Administrator in its discretion.

8.1.1 Number of Units. The Administrator will have complete discretion in determining the number of Restricted Stock Units granted to any Participant, subject to the limitations in Sections 4.1.

8.1.2 Value of Restricted Stock Units. Each Performance Unit shall have a value equal to the Fair Market Value of one Share.

8.2 Performance Goals and Other Terms. The Administrator will set Performance Goals or other vesting provisions, including, without limitation, time-based vesting provisions, in its discretion which, depending on the extent to which they are met, will determine the number Restricted Stock Units that are converted into Shares or into the equivalent value of cash that shall be paid to Participants. The time period during which the Performance Goals or other vesting provisions must be met will be called the "Performance Period." Each Award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the Performance Period, and such other terms and conditions as the Administrator, in its discretion, will determine. The Administrator may set Performance Goals based upon the achievement of Company-wide or Individual Objectives or any other basis determined by the Administrator in its discretion.

8.3 Earning of Restricted Stock Units. After the applicable Performance Period has ended, the holder of Restricted Stock Units will be entitled to receive a payment based on the number of Restricted Stock Units earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding Performance Goals or other vesting provisions have been achieved.

8.4 Form and Timing of Payment of Restricted Stock Units. Each Award Agreement of Restricted Stock Units shall specify the form of payment, which may be in the form of Shares or in cash. Payment with respect to earned Restricted Stock Units shall be made as soon as reasonably practical (an in no event more than two and one-half months) after the expiration of the Performance Period.

8.5 Cancellation of Restricted Stock Units. On the date that any forfeiture event set forth in the Award Agreement occurs, all unearned or unvested Restricted Stock Units will revert to the Company, and again will be available for grant under the Plan.

SECTION 9
MISCELLANEOUS

9.1 Change In Control. Unless otherwise provided in the Award Agreement, in the event of a Change in Control, unless an Award is assumed or substituted by the successor corporation, then (i) such Awards shall become fully exercisable during the ten (10) day period immediately prior to the Change in Control, whether or not otherwise then exercisable and (ii) all restrictions and conditions on any Award then outstanding shall lapse as of the date of the Change in Control. Unless an Award is assumed or substituted by the successor corporation, such Award shall terminate and shall no longer be exercisable immediately upon the Change in Control, Participant shall be provided written notification of whether Options granted under the Plan will be assumed, substituted or shall become fully exercisable no later than ten (10) days prior to the Change in Control date.

9.2 Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. Notwithstanding anything to the contrary contained in this Plan or in any Award Agreement, the Participant shall have the right to exercise his or her Award for a period of not less than ten (10) days immediately prior to such dissolution or transaction as to all of the Shares covered thereby, including Shares as to which the Award would not otherwise be exercisable.

9.3 No Effect on Employment or Service. Nothing in the Plan shall interfere with or limit in any way the right of the Company or an Affiliate to terminate any Participant's employment or service at any time, with or without cause. Unless otherwise provided by written contract, employment or service with the Company or any of its Affiliates is on an at-will basis only. Additionally, the Plan shall not confer upon any Director any right with respect to continuation of service as a Director or nomination to serve as a Director, nor shall it interfere in any way with any rights which such Director or the Company may have to terminate his or her directorship at any time.

9.4 Participation. No Employee, Consultant or Nonemployee Director shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

9.5 Limitations on Awards. No Participant shall be granted an Award or Awards in any Fiscal Year in which the combined number of Shares underlying such Award(s) exceeds three hundred thousand (300,000) Shares; provided, however, that such limitation shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 4.3.

9.6 Successors. All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or, otherwise, sale or disposition of all or substantially all of the business or assets of the Company.

9.7 Beneficiary Designations. If permitted by the Administrator, a Participant under the Plan may name a beneficiary or beneficiaries to whom any vested but unpaid Award shall be paid in the event of the Participant's death. Each such designation shall revoke all prior designations by the Participant and shall be effective only if given in a form and manner acceptable to the Administrator. In the absence of any such designation, any vested benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate and, subject to the terms of the Plan and of the applicable Award Agreement, any unexercised vested Award may be exercised by the administrator or executor of the Participant's estate.

9.8 Limited Transferability of Awards. No Award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. All rights with respect to an Award granted to a Participant shall be available during his or her lifetime only to the Participant. Notwithstanding the foregoing, the Participant may, in a manner specified by the Administrator,

(a) transfer a Nonqualified Stock Option to a Participant's spouse, former spouse or dependent pursuant to a court-approved domestic relations order which relates to the provision of child support, alimony payments or marital property rights and (b) transfer a Nonqualified Stock Option or Stock Awards by bona fide gift and not for any consideration to (i) a member or members of the Participant's immediate family, (ii) a trust established for the exclusive benefit of the Participant and/or member(s) of the Participant's immediate family, (iii) a partnership, limited liability company of other entity whose only partners or members are the Participant and/or member(s) of the Participant's immediate family or (iv) a foundation in which the Participant and/or member(s) of the Participant's immediate family control the management of the foundation's assets.

9.9 Restrictions on Share Transferability. The Administrator may impose such restrictions on any Shares acquired pursuant to the exercise of an Award as it may deem advisable, including, but not limited to, restrictions related to applicable federal securities laws, the requirements of any national securities exchange or system upon which Shares are then listed or traded or any blue sky or state securities laws.

9.10 Transfers Upon a Change in Control. In the sole and absolute discretion of the Administrator, an Award Agreement may provide that in the event of certain Change in Control events, which may include any or all of the Change in Control events described in Section 2.8, Shares obtained pursuant to this Plan shall be subject to certain rights and obligations, which include but are not limited to the following: (i) the obligation to vote all such Shares in favor of such Change in Control transaction, whether by vote at a meeting of the Company's shareholders or by written consent of such shareholders; (ii) the obligation to sell or exchange all such Shares and all rights to acquire Shares, under this Plan pursuant to the terms and conditions of such Change in Control transaction; (iii) the right to transfer less than all but not all of such Shares pursuant to the terms and conditions of such Change in Control transaction, and (iv) the obligation to execute all documents and take any other action reasonably requested by the Company to facilitate the consummation of such Change in Control transaction.

9.11 Performance-Based Awards. Each agreement for the grant of Restricted Stock Units or other performance-based awards shall specify the number of Shares or Units underlying the Award, the Performance Period and the Performance Goals (each as defined below), and each agreement for the grant of any other award that the Administrator determines to make subject to a Performance Goal similarly shall specify the applicable number of shares of Common Stock, the period for measuring performance and the Performance Goal. As used herein, "Performance Goals" means performance goals specified in the agreement for a Performance Unit Award, or for any other Award which the Administrator determines to make subject to Performance Goals, upon which the vesting or settlement of such award is conditioned and "Performance Period" means the period of time specified in an agreement over which Restricted Stock Units, or another Award which the Administrator determines to make subject to a Performance Goal, are to be earned. Each agreement for a performance-based Award shall specify in respect of a Performance Goal the minimum level of performance below which no payment will be made, shall describe the method of determining the amount of any payment to be made if performance is at or above the minimum acceptable level, but falls short of full achievement of the Performance Goal, and shall specify the maximum percentage payout under the agreement.

9.11.1 Performance Goals for Covered Employees. The Performance Goals for Restricted Stock Units and any other performance-based award granted to a Covered Employee, if deemed appropriate by the Administrator, shall be objective and shall otherwise meet the requirements of Section 162(m)(4)(C) of the Code, and shall be based upon one or more of the following performance-based business criteria, either on a business unit or Company-specific basis or in comparison with peer group performance: revenue, operating income, operating cash flows, return on net assets, return on assets, return on equity, return on capital, asset turnover, total stockholder return, net income, pre-tax income, gross margin, profit margin, net income margin, cash flow, book value, earnings per share, earnings growth, EBIT, EBITDA. Achievement of any such Performance Goal shall be measured over a period of years not to exceed ten (10) as specified by the Administrator in the agreement for the performance-based Award. No business criterion other than those named above in this Section 9.11.1 may be used in establishing the Performance Goal for an award to a Covered Employee under this Section 9.11. For each such award relating to a Covered Employee, the Administrator shall establish the targeted level or levels of

performance for each such business criterion. The Administrator may, in its discretion, reduce the amount of a payout otherwise to be made in connection with an award under this Section 9.11, but may not exercise discretion to increase such amount, and the Administrator may consider other performance criteria in exercising such discretion. All determinations by the Administrator as to the achievement of Performance Goals under this Section 9.11 shall be made in writing. The Administrator may not delegate any responsibility under this Section 9.11. As used herein, "Covered Employee" shall mean, with respect to any grant of an award, an executive of the Company or any Subsidiary who is a member of the executive compensation group under the Company's compensation practices (not necessarily an executive officer) whom the Administrator deems may be or become a covered employee as defined in Section 162(m)(3) of the Code for any year that such award may result in remuneration over \$1 million which would not be deductible under Section 162(m) of the Code but for the provisions of the Program and any other "qualified performance-based compensation" plan (as defined under Section 162(m) of the Code) of the Company; provided, however, that the Administrator may determine that a Plan Participant has ceased to be a Covered Employee prior to the settlement of any award.

9.11.2 Mandatory Deferral of Income. The Administrator, in its sole discretion, may require that one or more award agreements contain provisions which provide that, in the event Section 162(m) of the Code, or any successor provision relating to excessive employee remuneration, would operate to disallow a deduction by the Company with respect to all or part of any award under the Program, a Plan Participant's receipt of the benefit relating to such award that would not be deductible by the Company shall be deferred until the next succeeding year or years in which the Plan Participant's remuneration does not exceed the limit set forth in such provisions of the Code; provided, however, that such deferral does not violate Code Section 409A.

SECTION 10 AMENDMENT, SUSPENSION, AND TERMINATION

10.1 Amendment, Suspension, or Termination. Except as provided in Section 10.2, the Board, in its sole discretion, may amend, suspend or terminate the Plan, or any part thereof, at any time and for any reason. The amendment, suspension or termination of the Plan shall not, without the consent of the Participant, alter or impair any rights or obligations under any Award theretofore granted to such Participant. No Award may be granted during any period of suspension or after termination of the Plan.

10.2 No Amendment without Shareholder Approval. The Company shall obtain shareholder approval of any material Plan amendment (including but not limited to any provision to reduce the exercise or purchase price of any outstanding Options or other Awards after the Grant Date (other than for adjustments made pursuant Section 4.3), or to cancel and re-grant Options or other rights at a lower exercise price), to the extent required to comply with the rules of the NASDAQ, the Exchange Act, Section 422 of the Code, or other Applicable Law.

10.3 Plan Effective Date and Duration of Awards. The Plan shall be effective as of the Plan Adoption Date (subject to the shareholders of the Company approving the Plan by the required vote), subject to Sections 10.1 and 10.2 (regarding the Board's right to amend or terminate the Plan), and shall remain in effect thereafter. If the shareholders of the Company do not approve the Plan by the required vote within twelve months of the Plan Adoption Date, all Awards granted under this Plan, and this Plan in its entirety, shall immediately terminate. However, without further shareholder approval, no Award may be granted under the Plan more than ten (10) years after the Plan Adoption Date.

SECTION 11 TAX WITHHOLDING

11.1 Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof) or the release of Shares from escrow arrangements or removal of legends, the Company shall have the

power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award (or exercise thereof).

11.2 Withholding Arrangements. The Administrator, in its discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax withholding obligation, in whole or in part by (a) electing to have the Company withhold otherwise deliverable Shares or (b) delivering to the Company already-owned Shares having a Fair Market Value equal to the minimum amount required to be withheld. The amount of the withholding requirement shall be deemed to include any amount which the Administrator agrees may be withheld at the time the election is made; provided, however, in the case Shares are withheld by the Company to satisfy the tax withholding that would otherwise be issued to the Participant, the amount of such tax withholding shall be determined by applying the statutory minimum federal, state or local income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined. The Fair Market Value of the Shares to be withheld or delivered shall be determined as of the date taxes are required to be withheld.

SECTION 12 LEGAL CONSTRUCTION

12.1 Liability of Company. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful grant or any Award or the issuance and sale of any Shares hereunder, shall relieve the Company, its officers, Directors and Employees of any liability in respect of the failure to grant such Award or to issue or sell such Shares as to which such requisite authority shall not have been obtained.

12.2 Grants Exceeding Allotted Shares. If the Shares covered by an Award exceed, as of the date of grant, the number of Shares, which may be issued under the Plan without additional shareholder approval, such Award shall be void with respect to such excess Shares, unless shareholder approval of an amendment sufficiently increasing the number of Shares subject to the Plan is timely obtained.

12.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

12.4 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

12.5 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

12.6 Governing Law. The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of California.

12.7 Captions. Captions are provided herein for convenience only, and shall not serve as a basis for interpretation or construction of the Plan.
